Kia ora e te whānau, warm greeting to everyone,

Our **Readathon Fundraiser** has kicked off with a bang - loads of prizes have already been won, and as at the time of printing this newsletter you have helped to raise \$4,760 so far! Thank you for all of your support, we have three more weeks to still go so keep encouraging your children to reach their reading goal and share the link with your whānau and friends.

Thank you to everyone who attended our **Cyber Safety presentation** last night. It was a great turn out and a hard hitting but necessary message. We have video options for those who were unable to make it, so will share those in due time once we have them. Note, this will be for adults only viewing.

Attendance:

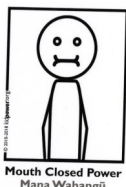

Did you know that if you child misses **one day a week** that is the equivalent to **8 weeks** of missed education per year. And over a thirteen years of schooling that is the same as **2.5 years** of lost learning. Every day at school counts!

Please remember **our school gates open at 8:30am** every morning for students to come on site. Sadly we still have students arriving here as early as 7am which is not safe and we cannot guarantee their access into the ground at that time, least of all any form of supervision. Please, if you need to have your child come earlier than 8:30am they need to be enrolled in our before school care programme **Kids Klub**.
